

Kantar Cadbury World Draw Terms

1. The Promoter of this prize draw is Kantar UK Limited of TNS House, Westgate, London W5 1UA.
2. The prize draw is open to anyone, aged 18 or over, who completes either of the surveys included in the pre-visit or post-visit Cadbury World emails and opts in to enter the prize draw. You cannot enter the prize draw if you are an employee of the Promoter, Merlin Entertainments, Mondelēz International, or their agents, or family members of such employees or any third party associated with the administration of the prize draw.
3. The prize draw is free to enter and no purchase is necessary.
4. Only one entry per person is permitted. Completion of both pre and post visit surveys will only result in one entry.
5. The closing date of the prize draw is 11:59 p.m. on **INSERT CLOSING DATE**. Entries received after this time will not be included.
6. The Promoter accepts no responsibility for entries not received due to a technical fault, hardware or software failure, satellite, network, or server failure of any kind.
7. One winner will be chosen from all entries received in accordance with these terms. The draw will be performed by a random computer process. The draw will take place within two (2) weeks of the closing date.
8. The winner of the prize draw will receive 1 (one) x £250 Amazon voucher.
9. Use of the voucher is subject to Amazon's terms and conditions. Neither Kantar nor Merlin can be liable for any issues in redeeming the voucher.
10. The winner will be notified by email (using the details provided at entry) within seven (7) days of the draw date and must provide confirmation of the address they wish to use to claim their prize. If a winner does not respond to the Promoter within two (2) weeks of receiving the notification email, then the winner's prize will be forfeited, and the Promoter will be entitled to select another winner in accordance with the process described above. The prize will be issued within two (2) weeks of confirmation of the winner's address.
11. The prize is non-exchangeable, non-transferable, and no cash alternative is offered.
12. The Promoter reserves the right to replace the prize with an alternative prize of equal or higher value if circumstances beyond the Promoter's control make it necessary to do so.
13. The decision of the Promoter regarding any aspect of the prize draw is final and binding and no correspondence will be entered into about it.
14. Participants are deemed to have accepted and agreed to be bound by these terms upon entry. The Promoter may refuse entry or refuse to award the prize to anyone in breach of these terms.
15. The Promoter reserves the right to hold void, cancel, suspend, or amend the prize draw where it becomes necessary to do so.
16. Personal data supplied during the course of this prize draw will be processed in accordance with the Promoter's Privacy Policy
17. The prize draw will be governed by the laws of England and Wales and entrants to the prize draw submit to the non-exclusive jurisdiction of the English courts.
18. The Promoter will make available the surname of winners, which can be obtained by emailing **cadburyworldprizedraw@kantar.com**. If a winner objects to their surname being published or made available, they should notify the Kantar of this when responding to the notification that they have won. In such circumstances, Kantar may still provide the information to the Advertising Standards Agency, if requested. Any questions? Please email: **cadburyworldprizedraw@kantar.com**

Commented [CA1]: Is there a minimum age to take part? For example 18+? If so, can we make this clear, including from what date the individual must be 18 at?

Commented [OT2R1]: Propose Kantar clarifies but agree with 18+

Commented [IS3R1]: Updated to include 18+ section

Commented [CA4]: Is there a requirement for any entrants to attend Cadbury World? Noting potentially you could book a visit, complete the pre-visit survey and then cancel - would this revoke their entry?

Commented [OT5R4]: In this event, the pre-visit intel would still be valuable, and the respondent wouldn't receive a post visit survey, so no reason to be restrictive on this basis.

Commented [CA6]: Can we clarify if each survey is a separate entry? Above it states "The prize draw is open to anyone who completes either of the surveys" - logically one would assume completing both surveys would grant two entries, but this would be in breach of term 4.

Commented [OT7R6]: Propose Kantar clarifies that completing both surveys still only counts as one entry.

Commented [IS8R6]: Updated

Commented [CA9]: Do the surveys have separate closing dates? It would logically make sense to close the surveys before the draw closes for this promotion?

Commented [OT10R9]: Agree - propose Kantar make BOTH survey closing dates clear (they will be same dates) and include.

Commented [IS11R9]: Closing date of the prize draw will not necessarily be the same as the prize draw. This will refer only to the closing date of the prize draw

Commented [CA12]: Assuming there is only one winner, can we make this explicitly clear?

Commented [OT13R12]: Yes - agree. Propose Kantar explicitly states "1 (One) x £250 Amazon voucher"

Commented [IS14R12]: Updated

Commented [CA15]: Can we add a separate term confirming that use of the voucher is in accordance with Amazon's terms and conditions and that neither Merlin nor Kantar can be held liable for any issues in redeeming the voucher.

Commented [OT16R15]: Agree - Propose Kantar adds.

Commented [IS17R15]: Happy to add

Commented [CA18]: Presumably within 2 weeks of the notification email?

Commented [OT19R18]: Agree - propose change to "within two (2) weeks of receiving the notification email"

Commented [IS20R18]: Agreed, will update
